

**PLEASE SIGN AND RETURN THIS FORM PARENT AND STUDENT ACKNOWLEDGMENT**

The Code of Conduct has been developed to help gain the greatest possible benefit from school experiences. It defines the responsibilities and rights of students attending Putnam County Schools. The consequences of student actions, which disrupt the learning process, are also clearly stated. Since parents/guardians can be held responsible for the actions of their children, you should be involved in the education of your children. Students, parents, and schools working together will help maintain a safe atmosphere where students can learn.

The school is in need of your help and cooperation. Parents and students please read and discuss this important booklet together. This form will be kept on file at the school and acknowledges your awareness of the contents. Failure to return this form will not relieve a student or the parent(s)/guardian(s) from responsibility to know the contents of the Code of Conduct and will not excuse the student's non-compliance with the Code of Student Conduct. The rules, regulations, and guidelines set out in this code of conduct are effective for the current school year and shall remain in effect until a new code of conduct is published.
